

### Math Teacher – Job Information Sheet

Routt Catholic High School is seeking a dynamic, faith-centered Math teacher to instruct students in (geometry, pre-calculus and calculus). The ideal candidate will foster critical thinking and strong mathematic skills while supporting the mission and values of Catholic education.

#### Key Responsibilities

- Plan and deliver engaging lessons aligned with Illinois Learning Standards and school curriculum.
- Differentiated Instruction: Adapt teaching methods to reach students with diverse learning styles.
- Real-World Application: Develop projects that show the "why" behind the math—linking geometry to architecture, or calculus to physics and economics.
- Technology Integration: Effectively use graphing calculators, and Learning Management Systems (like Google Classroom) to enhance student engagement.

#### Qualifications

Required: Bachelor's degree in Mathematics, Education, or related field; State Certification; strong knowledge of math instruction; effective classroom management and communication skills.

Preferred: Master's degree; experience teaching upper-level high school math; familiarity with college-preparatory or dual credit coursework; willingness to contribute to the Catholic mission of the school.

#### Salary & Benefits

- Salary \$8,858- \$52,608, dependent upon number of classes taught and years of experience.
- Paid Time Off (PTO)
- Medical, Dental, and Life Insurance \* dependent on hours
- 403b
