# From the Board President

Dear Families and Friends of Routt,

My name is Rich Whalen, and while I have served on the Board for three years, I am proud to be serving my first term as School Board President. As a Routt graduate, I have always retained a relationship with our community. I have helped coach, support, and attend as many events at Routt as possible. I am excited for the opportunity to send my four children through Our Saviour and Routt Catholic, just as I was able to do. Currently, my oldest son Jack attends Kindergarten, my daughter Sadie is attending the Pre-K program, and my youngest two, Duke and Heidi, are anxiously awaiting their turn to start at OSS. With four children under the age of 7, our home is very busy. My wife, Emily, keeps us all moving and without her help I would not be able to serve Routt - thank you Emily!

I am proud to report some great changes that have taken place in the last year here at Routt. I would like to thank all of the members of the Routt Board as well as several committee members that volunteered their time to help us make these decisions. We hired Barry Creviston as the Dean of Students, Athletic Director, Transportation Director, and football coach. We were also fortunate to hire Colleen Doyle as our Development/Enrollment Director. Additionally, we hired Amy Evans and Kim Spangenberg as the new cheerleading sponsors. Collectively all of these individuals bring excitement and create an atmosphere that is important for the continued development and success here at Routt Catholic.

We are blessed to have such a great faculty and staff here at Routt. Our principal, Mr. Nick Roscetti, is in his 5th year at Routt and continues to do a great job. Our faculty and staff truly cares about our students and we are fortunate to have them here. Our students continue to have success after their time at Routt, and that is evident in the fact that the class of 2018, which graduated 29 students, were able to accumulate over \$1,000,000 in scholarships. We firmly believe that sending your children to Routt is one of the best investments a family can make.

Moving forward, there are many great things we are continuing to improve on at the school. I am proud to announce that we have added a handicapped accessible restroom on the main floor at Routt. We are also working on other projects, including revitalizing our science labs, locker rooms, and updating our mechanical systems. The continued improvements we look to make are crucial to providing the best high school education in West Central Illinois, and without your help these projects would not be possible.

I would like to thank everyone in the Routt community for all you do to continue to make Routt the special place that it is.

God Bless,

Rich Whalen '04  
Board President

# From the Principal

Greetings!

With the daily temperature finally starting to cool, it's time to reflect on the 2017-18 year at Routt Catholic High School. The members of the Class of 2018 have all moved on to the next chapter of their lives. I feel confident that the faculty and staff have prepared them for whatever challenges they encounter. Their class photo and plans beyond Routt can be found on page ii.

Though we greet new faces each fall, and we say good luck to our graduates as they leave each spring, there is little idle time for us. From athletics to the arts, there is a multitude of activities occurring at Routt each day, week, and month. See a partial list of events for 2018-19 on page ii, and no matter which ones you choose to attend, I'm sure you will have a good time.

My thanks go out to our current and former members of the Routt Board of Directors. These volunteers dedicate their time and expertise to reviewing and creating the policies that guide Routt. Most have a direct connection to Routt, but all care deeply about Catholic education in general, and Routt in particular. I encourage you to thank them for their service the next time you see one of them.

It is through the generosity of our donors listed in this report that projects, activities, and opportunities are made available to our students. Whether you give your time, talent, or treasure, it is only with your help that we are able to continue the work we do. THANK YOU for all that you do for Routt Catholic High School.

Sincerely,

*Nick Roscetti*

Nick Roscetti, Principal

# Enrollment and Tuition

**R**outt Catholic High School enrollment for 2017-18 school year ended with 126 students in grades 9 - 12. Routt admits students of any race, nationality and religion without discrimination with respect to ability or achievement levels, believing that all have a right to a Christian education. Out-of-parish students make up 8% of the student body and students of other faiths total 25%. Twelve percent of Routt students are eligible for a free or reduced lunch.

The tuition at Routt is among the lowest in the State of Illinois, with our closest parochial high school charging nearly \$8,000 annually for tuition and fees. By using funds from the Routt Family Trust, the Routt Foundation Fund, the Annual Fund, and monies from memorial funds, grants, and other fundraisers, the Board has been able to keep tuition prices at Routt steady and affordable. Tuition for the 2017-2018 school year was \$3,900, with an additional \$200 due to cover resource fees, such as textbooks and technology fees.

## From the Development Office

Greetings from the Development Office at Routt Catholic High School!

My name is Colleen Doyle and I am thrilled to be roaming the halls of Routt once again, this time as the Development/Enrollment Director. Having grown up in a house full of Our Saviour and Routt students, and having attended both Our Saviour (Class of 2002) and Routt Catholic (Class of 2006), I have always been drawn back to this community. It is a special place with so much tradition, and since my arrival in July, I have been reminded time and again how blessed I am to have had the opportunity to grow up here. From the bottom of my heart, I want to say thank you to everyone who has been so kind in my return.

For the 2018-19 school year, our enrollment is up to 132 students. Numberwise, it is a good place to be, but we certainly have room to grow. Our student body is diverse when it comes to varying interests, and one thing that I have come to learn is that these days, Routt truly has something for everybody. We offer dual-credit courses for those students who want to start earning college credit. We offer programming classes. We have a theater program, that under Mr. Maruna's

guidance, puts on entertaining shows every year. We are confident that families should feel good about sending their student to Routt Catholic.

If you find yourself on social media, I invite you to follow us on Facebook, YouTube, Twitter, and Instagram. We are committed to keeping these platforms updated to make sure our community can have an insight into the wonderful things happening here at school. One thing we hope to implement this year is to send out more information electronically. For this reason, I ask that you please make sure the Development Office has your most recent email address to make sure you are kept in the loop! We thank you for your help with this effort. Please be on the lookout for information regarding our 2018-19 Annual Fund, as we will officially kick off that campaign in October. We thank you for your continued support!

Whether you're a former student, a parent, grandparent, or a friend, should you find yourself around Routt in the coming months, please stop in and say hello. If I have not yet met you, I look forward to doing so. And to those who I have had the pleasure of meeting, I look forward to seeing you again soon!

Yours in Routt spirit,

Colleen Doyle '06

## Remembering Routt

**H**ave you thought about including Routt in your planned giving? There are many possibilities to do so that you may want to consider.

1. The most common is including Routt in your Will. You can do this by stating that a specific amount will be paid to Routt Catholic High School or the Routt High School Education Foundation, you can designate that Routt will receive a percentage of your estate, or you can specify that Routt will receive the remainder of the estate after other designations have been paid.
2. Life insurance policies can designate Routt as a beneficiary. If you give a paid-up life insurance policy to Routt with the school as the designated beneficiary, the cash value is tax deductible.
3. There are various types of trusts that provide different ways of managing assets while providing for your family and a charity such as Routt.
4. Gift annuities provide a guaranteed income and an immediate tax deduction as well as future tax benefits.

**R**outt Catholic High School is the school we know today because the Routt family had both foresight and great expectations for Catholic education. Members of the 1902 Legacy Circle join the Routt family, and many others who have gone before them in their commitment to Routt and to Catholic education.

### 1902 Legacy Circle Membership

To be listed as a member of the 1902 Legacy Circle, please notify the Development Office that you have included Routt in your estate planning. To name Routt in your Will, designate it to Routt Catholic High School in Jacksonville, Illinois or Routt High School Education Foundation in Jacksonville, Illinois.

Members of the Class of 2018 gather in front of Busch Stadium during their Senior Trip.

# Rouff High School Education Foundation

The Rouff High School Education Foundation, Inc. was formed in May of 1990 by Sr. Philip Neri Crawford and the members of the Rouff High School Alumni Association. They felt it important to create a legal entity controlled locally with the purpose of receiving contributions for the benefit of Rouff. Since its inception, the Education Foundation has received numerous gifts for the support of Rouff. Over forty individual and family funds have been established. Many of the funds have come from estates and memorial gifts. These funds are invested and the interest provides an additional stream of income to Rouff.

Several of the named funds in the Education Foundation are designated for scholarships for our students. Others help fund the fine arts program, music program, the library, and the general tuition assistance that Rouff provides to make a Catholic education more affordable for our families. Some gifts were given without a designated purpose, allowing the Board to use the funds where they feel the school would most benefit, which is usually for tuition assistance.

# Student Life

It is because of the generosity of those around us that our students are able to continue on the traditions of Routt Catholic High School. We could not be more grateful for the love and support you continue to show our school.

Several students had the opportunity to travel to Mexico, Missouri with Mr. Maruna, Mr. Beddingfield, and Mr. Roscetti to see incredible views of the 2017 Solar Eclipse.

Seniors Luke Bonjean and Haley Haarmann at Prom 2018.

Our softball and baseball teams have the pleasure of using the state-of-the-art batting cages found above the Knights of Columbus. These cages are maintained through the fundraising efforts of Jerry McGinnis ('65) and a slew of other supporters of Routt Athletics.

Students at Routt Catholic had the opportunity to collaborate with students of Our Saviour School to talk about the importance of technology.

Ellie Abell (left) and Madi Fellhauer, both members of the Class of 2018, were honored as Elks Students of the Month.

The basketball cheerleaders perform at the Winchester Invitational.
